Respiratory Care Admission Information

Step 1. Submit your application to the college. After submitting your application to the college, you will receive a "R" number.

Step 2. Log into Raidernet to complete the Health Sciences Interest form. Indicate your interest in being admitted to the **Respiratory Care** program **no later than May 15** of the year you are seeking admission. You may indicate your interest in 3 health science degree programs. You should designate which program is your first area of interest, second area of interest, and third area of interest. You may be considered for admission to any of the 3 health science programs you designated as an area of interest.

Step 3. Declare **AS Pre-Allied Health** as your major. If you have not already declared AS Pre-Allied Health as your major, you should change your major. This will best prepare you for admission to a Health Science program.

Step 4. Meet **minimum eligibility requirements** for the **Respiratory Care program** to be considered for admission. Minimum requirements

- Grade of C or higher in required general education/supporting courses
- GPA of 2.5
- Completed minimum 10 credit hours of required general education/supporting courses. BIOL 2010 must be completed. Sciences classes must be no more than 5-years old.

Step 5. Students meeting minimum eligibility requirements will be ranked on the following 3 criteria (see below table):

- GPA in general education/supporting courses required for the major
- # of required credits completed
- Grade in required math/sciences courses and other required courses.

Requirement	Description	Points
GPA in general education/supporting courses required in the major	See required courses listed in the college catalog. -BIOL 2010 & 2020 (5-year limit) -BIOL 2230 (5-year limit) -ENGL 1010 -Hum elective -MATH 1130 or higher -PSYC 1030 or Soc Science elective	Up to 2.99 = 0 point 3.0-3.25 = 1 point 3.26-3.5 = 2 points 3.51-3.75 = 3 points 3.76-4.0 = 4 points
# required credits completed	Max # of 24 general education/supporting credits	Up to 14 credits = 0 point 15-19 credits = 1 point 20-24 credits = 2 points
Grade in required math/science courses	MATH 1130 or higher BIOL 2010* (5-year limit) BIOL 2020* (5-year limit) BIOL 2230* (5-year limit)	A = 4 points B = 3 points C = 0 points

Respiratory Care Admission Information

Step 6. The top ranked 24 applicants will be offered admission to the program (Step 5). Applicants offered admission will be notified via an **"Alert"** in Raidernet and must accept or decline their admission within 1 week. After one week, the "Alert" will disappear. Failure to respond may result in the applicant forfeiting their selection for admission. Applicants not offered admission will need to **resubmit the area of interest form the following year**. If you are offered admission to a program, you must accept or decline admission to that program. If you decline admission, you may then be considered for admission to another program.
