Festival Day Activities

There is more to the Academic Festival than competitions! **All students are welcome to participate** in activities happening throughout campus on Festival Day. No additional registration is required unless otherwise noted.

Specific activity locations and times will be listed in the **Festival Booklet** that sponsors and students receive when they arrive.

Cornhole in the Courtyard

Stop by the courtyard for a game of cornhole with friends between Festival events.

Littler Learners to Big Thinkers Education Station

Explore Roane State's **Early Childhood Education, K–5 Education, and Secondary Education** programs through interactive activities and learn more about careers in teaching and education.

Explore the Art Labs

Visit the art labs in O'Brien 112 and 115, explore the creative spaces, and see where Roane State students learn and create.

Food Trucks

Food trucks will be available in the parking lot next to the gym throughout the Festival.

Music Jam Session & Karaoke

Stop by for an informal jam session, try an instrument, sing karaoke, or simply enjoy the music. No previous music experience is required.

Academic Festival Scavenger Hunt

Explore campus by visiting interactive Scavenger Hunt stops located throughout the Festival.

Each stop will feature an activity and may include small prizes or giveaways. Students can also collect **one raffle ticket at each stop**.

Students may turn in **up to 10 raffle tickets** at the **gym mezzanine** for chances to win a larger prize during the Awards Ceremony.

Students must be present at the Awards Ceremony to win.

Science Fun Fair

Explore science through hands-on activities, demonstrations, and interactive experiments.

Rocks to Roots

Discover the connections between geology, soil, agriculture, and the world beneath our feet through hands-on activities and demonstrations.

Scrubs and Skills: Pathways to Health Science Careers

Explore Roane State's Health Science programs through hands-on activities, equipment, demonstrations, and interactive experiences.

Students can meet Health Science faculty, learn about different programs and careers, and get a closer look at what students in these programs actually do. Nursing activities will also be available in the nursing lab.

Scrubs and Skills is open to all Festival students and will include stops on the Academic Festival Scavenger Hunt.

Short Film Viewing

Stop in throughout the day to watch short films created by student filmmakers.

Wavemakers: Blue Economy in Action

Explore careers, science, technology, and innovation connected to waterways and the Blue Economy through interactive activities.

Fire Science

Explore Fire Science and emergency-service careers through equipment, demonstrations, and hands-on activities.

Applied and Innovative Technology

Explore one of Roane State's newest divisions through interactive tables, equipment, demonstrations, and hands-on activities.

The **Applied and Innovative Technology Division** brings together programs focused on technology, industry, skilled trades, and emerging career fields. Stop by to learn about this new division and explore the programs and career pathways it has to offer.
