unity
monochromatic
complementary
triadic
warm colors
cool colors
free choice

MATERIALS

ACRYLICS
WATERCOLOR
COLOR PENCIL
INKS
MARKERS
GRAPHITE
PENCILS
ETC.

Using 20 squares cut out at 4x4 inches demonstrate the following principles of design. You can approach this project with an overall theme or each square can be treated as its own unique piece of art. Clearly label each work and consider the overall craftsmanship. If you like you can create a key to match your artwork with the terms. Work out your ideas using thumbnails and sketches before attempting your final works.

This should be executed with good craftsmanship!!!

PROJECT DUE AND CRITIQUE SEP 30th
