

2024-2025 PIMG Final Report

Please limit this report to 3 pages maximum, excluding any pictures, attachments, or other supporting documents.

1. List the project goals presented in your original project narrative and report on each of your assessment measures. If goals were not met, what obstacles did you encounter and how might the project have been done differently to result in better outcomes?
2. What are your plans for continuing the project? Do you plan to seek additional funding in the future?
3. Provide information about the approved budget along with actual spending by line item.
