

## Medical Informatics Admission Information

- Step 1.** Submit your application to the college. After submitting your application to the college, you will receive a “R” number.
- Step 2.** Log into Raidernet using your “R” number to complete the Health Sciences Interest form. Indicate your interest in being admitted to the **Medical Informatics (HIM)** program **no later than October 31 for spring term admission and May 15 for fall term admission**. You may indicate your interest in 3 health science programs but you need to designate which program is first area of interest, second area of interest, etc. You will be considered first for the program you designated as your 1<sup>st</sup> area of interest. If you are not admitted to that program, you will be considered for the next area of interest unless the application deadline has passed.
- Step 3.** Declare AS Pre-Allied Health as your major. If you have not already declared AS Pre-Allied Health as your major, you should change your major. This will best prepare you for admission to a Health Science program.
- Step 4.** Meet **minimum eligibility requirements** to be considered for admission to the **Medical Informatics program**. Minimum requirements
- Grade of C or higher in required general education/supporting courses
  - GPA of 2.5
  - Completion of the following courses: HIMT 1300, HIMT 1301, & INFS 1010.
- Step 5.** Students meeting minimum eligibility requirements will be ranked on the following 3 criteria (see below table):
- GPA in courses required for the major
  - # of required credits completed
  - Grade in required math/sciences courses and other courses required by the program.

| Requirement   | Description  | Points  |
|---|--|---|
| GPA in general education/supporting courses required in the major             | See required courses listed in the college catalog.<br>-CITC 1300<br>-CITC 1302<br>-CITC 1303<br>-CITC 1310<br>-ENGL 1010<br>-HIMT 1300<br>-HIMT 1301<br>-HIMT 1302<br>-Humanities elective<br>-INFS 1010<br>-MATH 1530<br>-MEDI 1201<br>-PSYC 1030 or PSYC 2130 | Up to 2.99 = 0 point<br>3.0-3.25 = 1 point<br>3.26-3.5 = 2 points<br>3.51-3.75 = 3 points<br>3.76-4.0 = 4 points                        |
| # required credits completed  | Max # of 38 general education/supporting credits.  | Up to 14 credits = 0 point<br>15-19 credits = 1 point<br>20-24 credits = 2 points<br>25-29 credits = 3 points<br>≥30 credits = 4 points |
| Grade in each required math/science courses and required introductory courses | HIMT 1300*<br>HIMT 1301*<br>INFS 1010*<br>MATH 1530  | A = 4 points<br>B = 3 points<br>C = 0 points  |

## Medical Informatics Admission Information

**Step 6.** Top 15 ranked candidates will be offered admission to the program. Students accepted to the Medical Informatics Program will choose from the Developer or Technician Track. Applicants offered admission will be notified via an **“Alert”** in Raidernet and must accept or decline their admission within 1 week. After one week, the **“Alert”** will disappear. Failure to respond may result in the applicant forfeiting their selection for admission. Applicants not offered admission will need to **resubmit the area of interest form the following year.**
