

## Surgical Technology Admission Information

- Step 1.** Submit your application to the college. After submitting your application to the college, you will receive a “R” number.
- Step 2.** Log into Raidernet using your “R” number to complete the Health Sciences Interest form. Indicate your interest in being admitted to the **Surgical Technology** program **no later than March 31** of the year you are seeking admission. You may indicate your interest in up to 3 health science programs but you need to designate which program is first area of interest, second area of interest, etc. You will be considered first for the program you designated as your 1<sup>st</sup> area of interest. If you are not admitted to that program, you will be considered for the next area of interest unless the application deadline has passed.
- Step 3.** Declare **AS Pre-Allied Health** as your major. If you have not already declared AS Pre-Allied Health as your major, you should change your major. This will best prepare you for admission to a Health Science program.
- Step 4.** Meet **minimum eligibility requirements** to be considered for admission to the **Surgical Technology program**. Minimum requirements
- Grade of C or higher in required general education/supporting courses
  - GPA of 2.5 in courses required by the major
  - Complete minimum of 13 credit hours of required general education/supporting courses. Seven (7) of the required 13 credits **must include**
    - BIOL 2010 (must be no more than 5-years old by application deadline) and
    - ENGL 1010.
- Step 5.** Students meeting minimum eligibility requirements will be ranked on the following 4 criteria (see below table):
- GPA in general education/supporting courses required for the major
  - # of required credits for the major completed
  - Grade in required math/sciences courses and other required courses
  - Prior/current healthcare related experience as documented on CV/resume.

## Surgical Technology Admission Information

### Step 6.

The top 15 candidates will be offered admission to the program (Step 5). Applicants offered admission will be notified via an “Alert” in Raidernet and must accept or decline their admission within 1 week. After one week, the “Alert” will disappear. Failure to respond may result in the applicant forfeiting their selection for admission. Applicants not offered admission will need to **resubmit the area of interest form the following year.**
