## Get to know us

### Who are we?

We are a small nonprofit that exists to support the functions of the college, and to help our students succeed. We are a staff of four, a volunteer board of thirty, and a regular donor base of hundreds.

### What do we do?

We raise money for student success. Student success can take many forms, such as a new building or campus, faculty development, or scholarships, of course! Last year, we helped 512 students by awarding \$400,000 in scholarships alone.

### Why do we do it?

For our students! Our students are at the heart of everything we do. We are passionate about education and seeing every one of our students succeed. It's important to each and every one of us.

### How do we do it?

We align with local businesses and people in the community who believe that education is the key to a brighter future. We work closely with our volunteers and hold annual fundraisers to acquire the funds needed for student access and success.
