

ECG/EKG Pre-Course Information

Bring the following on the first day of class:

- 1) **Proof of Liability Insurance** – You can obtain cost effective liability insurance to cover you during this course and any others you are taking during the year after you purchase the insurance. HPSO.com provides a years worth of liability insurance for about \$37.00. To purchase from HPSO:
 - 2) Go to <http://hpsocom>
 - 3) Under “Get a Quick Quote – Individual” use the drop down menu to select your state, then press “Get Started”.
 - 4) Use the drop down menu to select “EKG Technician” for your profession or area of study.
 - 5) Check “No” to the question “Are you a member of a professional organization?”
 - 6) Select “Student” for your status as a professional, then click the “Continue” button.
 - 7) Choose to apply and pay online or print out and mail the application and payment.

Other Supplies

- 1) One set of navy blue scrubs
- 2) Stethoscope
- 3) Blood Pressure Cuff
- 4) Watch with second hand

Keep in mind that these do not have to be top of the line equipment. Many places sell these items but a few may include: Amazon, Walmart, Lamberts Healthcare, etc.

A copy of your High School Diploma (GED) or a copy of your college transcript will be required within the first week of beginning the course.

Dress Code for the Course:

For all face-to-face class sessions you are required to:

- Wear scrubs
- Pull loose hair back and fasten it with clips or a band
- Keep nails short and, if used, apply only a clear nail polish
- Cover all visible tattoos
- Clean athletic shoes

There is no book required for this course
