Criteria include learning objectives, curriculum/co-curriculum, teaching/learning processes, student learning assessment, quality assurance, overall assessment, and support.

Institutional Comments:

Paralegal Studies: Letter from ABA on May 4 2012 to extend approval extension until Feb 2013. Extension will allow sufficient time for completion of the reapproval process.

Paramedic: An official e-mail from CoAEMSP is attached. An accreditation recommendation has been forwarded to CAAHEP for consideration at their next scheduled meeting on July 18, 2012. A copy of the official CAAHEP letter will be forwarded to THEC once it has been received.

Respiratory Therapy: The program has been accredited through 11/30/2021. A Certificate of Accreditation from CoARC is attached.

Early Childhood Education: On January 27, 2012, NAEYC confirmed that the ECED program meets eligibility requirements for NAEYC Early Childhood Associate Degree Accreditation. In 2012-13, the ECED program director will coordinate self-study activities and report writing.

Standard 2: Student Access and Student Success**

The Student Access and Success standard is designed to provide incentives for institutions to increase the number of graduates from select subpopulations. Each institution selected five subpopulations particularly important to their mission and this standard measures the quality of its services dedicated to those subpopulations. The measure of the institution's commitment will be student subpopulation success – greater number enrolled, retained, and graduated.
