Course Evaluation	
Tinley, Jeffrey – Chair	The purpose of the Course Evaluation committee is to facilitate the selection and use of course evaluations at Roane State, and to ensure that the course evaluation process is fair and equitable for both tenured and non-tenured faculty members. The committee acknowledges that while course evaluations comprise only one component of the overall faculty evaluation plan as described in RSCC Policy PA-26-02, Roane State is a teaching institution and therefore evidence of teaching effectiveness is a very important component in determining faculty tenure, promotion, and retention. The main purpose of the evaluation process, however, is to improve the teaching and learning process. The committee encourages faculty members and/or deans to use course evaluation results to guide teaching, course-level, and program-level improvement strategies, as appropriate.

Discipline	Whenever violations of standards of conduct occur, the institution may initiate judicial proceedings through the power vested in its Disciplinary Committee. Because disciplinary action in cases involving probation, suspension or expulsion may become a part of the student's permanent record, it is the purpose of this committee to employ proper procedural safeguards to assure due process for students. The requirements of due process are flexible in different cases and will require different procedural safeguards. Every effort will be made to fairly adjudicate matters of student conduct with the goal of retaining the student to successful completion of his/her educational program.
Steffensen, Lisa – Chair

International Education	<p>We believe that well educated citizens must be aware of international issues and of diverse viewpoints and lifestyles. Quality education, thus, must include understanding of and sensitivity to the commonalities and differences of the various world societies.</p> <p>Our mission is to empower our students, staff, and faculty to experience the richness of other peoples and nations and to take advantage of global opportunities for individual growth. By internationalizing our campuses and by promoting global interaction we offer our students the wisdom and skills to form part of and compete in the global market.</p> <p>We also consider our mission to welcome international students and faculty and to encourage them to be part of our community. By building community awareness of global issues and problems, we ultimately strive to contribute to a better and more peaceful world.</p>
